## Movie Review

## Miracles from Heaven—Rated PG

Miracles from Heaven is based on the incredible true story of the Beam family.

When Christy (Jennifer Garner) discovers her 10yr old daughter Anna (Kylie Rogers) has a rare, incurable disease, she becomes a ferocious advocate for her daughter's healing as she searches for a solution. After Anna has a freak accident, an extraordinary miracle unfolds in the wake of her dramatic rescue that leaves medical specialists mystified, her family restored and their community inspired.

This movie is very well acted by the cast and Jennifer Garner is very believable as the desperate mother searching for answers.

## **Bible verse for the Day**

***The Lord is my light and my salvation—whom shall I fear?  
The Lord is the strong hold of my life—of whom shall I be afraid.
